

Anstruther primary school uniform

We are Alan and Charlotte Santry, and our family run company was established in 2004. Having 4 kids ourselves, we know how much it costs to buy schoolwear, so this is why we started this part of our business over 10 years ago and with the aim to keep prices low, but still offer great products, and excellent service to all our customers, which means turning around orders in a few days. Based in Leven and Kirkcaldy we supply schoolwear / uniforms to various Fife Schools along with our corporate wear division that supplies uniforms to any type of business. You can place an order through the methods below or click the individual item you would like, select your size and add the order to the basket. Telephone Enquiries: 07932 714 947 Website: Nursery Primary School Levenmouth Academy (Primary 7) St Leonards is a pretty magical place. Our pupils are taught to learn effectively, communicate clearly, respect others and participate with purpose. St Leonards is one of the UK's leading independent schools. From our beautiful campus in the historic university town of St Andrews, we offer an outstanding boarding and day education for boys and girls aged 5-18. St Leonards is the first International Baccalaureate (IB) continuum school in Scotland, and one of just two in the UK delivering the inspiring and globally-recognised curriculum from Year 1 to Year 13. Live, Learn and Play in the Home of Golf St Leonards offers one of the UK's leading school golf programmes, catering from all abilities, from beginners to elite golfers. Delivered in partnership with the St Andrews Links Golf Academy, St Leonards' golfers have access to state-of-the-art training facilities, top-of-the-range golfing technology, and seven Links courses, including the Old Course. Click here to find out more. Play All If you want to have a look at the 1000's of items that we already supply to schools, use the filter system below to search by the item type or the product category you are interested in. You can also search by school if you want! If there is something missing that you are looking for or you want to create something unique for your school, the best thing is to contact our Business Development Team on 01727 815715 or to email using our contact us form and someone will come back to you as soon as they can. If you are looking to buy existing uniform items for a school we currently supply you will need to register before you can buy online - more details. We use necessary cookies to make our site work. We'd also like to set optional analytics cookies to help us improve it. We won't set optional cookies unless you enable them. Using this tool will set a cookie on your device to remember your preferences. For more detailed information about the cookies we use, see our Cookies page. Necessary cookies Necessary cookies enable core functionality such as security, network management, and accessibility. See our Cookies page for more details. (If you change this setting, you may need to refresh the page to action your preference.) We aim to create an inclusive learning environment in which all students make progress and are given the opportunity to explore, connect and contribute. All staff maintain high expectations for all students. We are a mainstream primary school. This means that we follow the Local Authority Local Offer and the SEND Code of Practice. We aim to meet the needs of all students in our school, however we do not provide a more or better provision than other mainstream primary schools. A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her. Children's SEN are generally thought of in the following four broad areas of need and support: communication and interaction cognition and learning social, emotional and mental health sensory and/or physical needs The Special Educational Needs and Disabilities Coordinator (SENDCo) and Inclusion Leader has overall responsibility for Special Educational Needs and Disabilities (SEND) and Inclusion. Our SENDCo maintains the SEND register. This has the names, and area of need, of students currently identified as having barriers to learning which would constitute a special educational need. Our SEND register is monitored regularly and is fully flexible. Students may come on and off the register, it is not fixed. Provision, support and strategies are developed in conjunction with outside professionals such as Speech and Language Therapists, Occupational Therapists and Educational Psychologists. We aim to enable all children to overcome any barriers to learning and access the mainstream curriculum, learning and interactions; at times the priorities for individual students may be their communication, social interactions, emotional regulation and independence. Provisions, support and strategies will be monitored on a plan, do, review basis. You can see our SEND information report here with details of our school SEND offer. Further information can be found on the RBKC Local Offer Website here:RBKC Local OfferWe strongly advise that parents/carers regularly check the Local Offer for information around SEND, training opportunities, parent workshops, coffee mornings, support, transport and contact details for relevant people in the Local Authority.If your child has an EHCP and you would like to join our parent online forum/noticeboard/discussion space please contact Mr Thorne for the password and link. Information, support and guidance around Autism can be found on the National Autistic Society website:National Autistic SocietyOur Autism Provision Our Autism Hub Our Autism Hub: Anstruther House Our hub caters for children with a diagnosis of autism as their primary need, from Reception to Year 6. We have 2 classrooms, which are split into Early Years / Key Stage One and Key Stage Two, are staffed by a full time teacher and partner teachers who are all trained and experienced in working with autistic children.The children that have the autism hub named on their Education, Health and Care Plan have access to The 'Bodyshop', containing a swing, hammock, trampoline and other equipment which supports the development of gross and fine motor skills as well as the children's emotional regulation. The 'Sensory Room' provides a space for singing and dancing as well as relaxation and regulation. The outside space enables the children to take regular movement breaks, which are incorporated into the daily routine.Anstruther House offers a personalised curriculum, but one which also reflects the mainstream curriculum. As part of the compatibility criteria, children are expected to be able to access mainstream learning, participate in mainstream activities and benefit from interactions with mainstream peers. All the children named in the provision eat in the lunch hall with the rest of the school and have access to the mainstream playgrounds, where they are supported to play and engage with their mainstream peers. In order to meet the needs associated with autism, we use the following approaches which are embedded into the school day: The children named in the provision also have access to a Speech and Language Therapist (one day per week), Occupational Therapist, Music Therapist and Art Mentor.Admission to the autism resource is decided hub d by the local authority SEND panel followed by consultation with the school and the child meeting our compatibility criteria.
